

## Leadership Opportunity

### Clinical Services Coordinator

Willingdon Care Centre is a leading provider of high quality housing and complex residential care services at a 95 bed site that anticipates and responds to the changing needs of the persons it serves.

The Clinical Services Coordinator provides vibrant clinical leadership guiding the overall care of residents. As our next senior nurse leader, you will manage a multi-disciplinary team by utilizing strong communication skills, simultaneously epitomizing clinical brilliance in geriatric care. You thrive on the challenge of managing multiple demands of residents, family members, and staff demonstrating a self assured, dynamic management style with an innovative interpersonal approach. This is an exciting opportunity for someone looking for future advancement with a growing leader in residential care and where you can make a positive impact on the quality of a senior's life.

The ideal candidate possesses a Baccalaureate or Masters Degree in Nursing, clinical experience in geriatric nursing, a minimum of five years nurse management experience, and knowledge of InterRAI/MDS. Equivalent experience and education maybe considered. Compensation is \$80,000 to \$100,000, commensurate with work history and knowledge, plus benefits.
